ALIF NUR RACHMAN

Balikpapan, Indonesia | 082152069360 | alifnurrachman25@gmail.com | Portfolio | LinkedIn | Github

PROFESSIONAL SUMMARY

Information Technology graduate with hands-on experience in developing and optimizing web-based applications to improve efficiency. Skilled in full-stack web development, UI/UX design, and system implementation. Experienced in building responsive and user-friendly applications, collaborating in development teams, and handling project workflows from planning to implementation.

WORK EXPERIENCE

IT Web Developer Intern Mar 2024 – Jun 2024

Dinas Kominfosan Yogyakarta

- Collaborated with the project team to design website concepts, system workflows, and application structures based on project requirements and user needs.
- Designed UI/UX interfaces, conducted brainstorming sessions with clients, and handled design revisions to ensure alignment with project expectations.
- Developed and implemented responsive website frontends while structuring and managing SQL databases to support system functionality and performance.

Contract Assistant Lecturer - Web Design Development Mar 2024 – Jul 2024

Muhammadiyah University of Yogyakarta

- Delivered practical sessions introducing fundamental web development concepts to undergraduate students.
- Trained 30+ undergraduate students in HTML, CSS, JavaScript, with 90% passing the practical assessment.
- Led advanced practical sessions focusing on web design and development using Bootstrap and React.js for 30+ undergraduate students, with 90% completing the final project.
- Structured and supervised a final project concept to strengthen students' foundational web design and development skills.

PROJECTS

Personal Portofolio Website | *React.js, Next.js* Sep 2026 – Nov 2026

- Developed a personal portofolio website using React.js and Next.js to showcase personal projects, technical skills, and professional background.

Ribcalls Fanbase Profile Website | *Laravel, React.js* Aug 2026 – Sep 2026

- Developed a profile website for the Ribcalls fanbase using Laravel and React.js to present fanbase information and its identity.
- Implemented CRUD (Create, Read, Update, Delete) functionality using Filament to manage and maintain website content through an admin dashboard.

Gym Membership Management Website | *Laravel* Jul 2026

- Developed a web-based application using Laravel to manage gym membership information and support membership administration.

Al-Ikhlas Mosque Profile Website | *React.js, Next.js, Prayer-Time API* Jun 2026 – Jul 2026

- Developed a mosque profile website using React.js and Next.js to provide information about Masjid Al-Ikhlas.
- Integrated a prayer-time API to provide prayer schedule information for website visitors.

Sistem Zakat Al-Ikhlas | *Laravel, MySQL, Tailwind CSS* Mar 2026 – Apr 2026

- Developed a web-based zakat management application for Masjid Al-Ikhlas TBS 2 to manage muzakki records, zakat payments, and infaq.
- Implemented muzakki registration, household-member records, zakat types, and payment options.
- Developed zakat calculation and transaction-recording features, including infaq management and transaction history.

POS Bakso Pak Tum | *Laravel, MySQL, Blade, JavaScript* May 2025 – Sep 2025

- Developed a point-of-sale system for a meatball, and chicken-noodle restaurant to manage orders, payment, menu items, and financial reports.
- Implemented role-based access control for Manager, Cashier, and Admin to support different operational responsibilities
- Developed order processing, payment recording, menu management, transaction history, and expense management features.
- Created a dashboard to monitor sales performance and generate business reports.

Store Inventory Management Website | *Laravel* Apr 2024 – May 2024

- Developed a web-based inventory management application using Laravel to support store stock management and administration.

Concert Ticket Booking Mobile App | *Kotlin* Dec 2023 – Jan 2024

- Developed an Android mobile application using Kotlin to provide users with a platform for booking concert tickets.
